We've spared no expense in creating open living areas with 10 to 16-foot ceilings, enormous windows with unbelievable views as well as the finest amenities. We'll help you make your own personal statement... and you can help us by registering as a VIP - just click on the VIP Registry button to help us get to know your interests and the upgrades which you might prefer.

And your secret is safe with us - we won't tell your friends and family that you saved tens of thousands of dollars through our 10-year tax abatement... on the exclusive lifestyle they see before them. As they're gazing at higher quality carpeting, granite countertops, stainless steel appliances, and other amenities you probably couldn't have afforded in the suburbs, be sure to take them to the windows to witness the superior views of the Columbus downtown area.

When it's time to head out for a leisurely dinner, remind them you plan to leave your car in the covered parking garage as you direct them to the assortment of restaurants within a short, pleasant walk away. Following dinner, head over to the Short North Arts District or detour to either the Brewery or Arena districts... 2 more options sure to continue your night of entertaining.
